HOTEL & GASTROBAR

About Schoolhouse

A unique venue steeped in history, nestled by the canal in Ballsbridge.

The Schoolhouse will capture your imagination!

As you step into our beautiful building, be prepared to be transported back in time. The Schoolhouse began as the St. Stephen's Parochial School, its red-brick façade, the tall ceilings adorned with intricate arches date back to 1859. A super setting for creating an enchanting atmosphere that exudes charm and sophistication.

In 1997, the historic Schoolhouse was transformed into a boutique Hotel and Gastro Bar. It stands as a charming testament to Dublin's Heritage offering guests unforgettable moments in our lush green garden, a breathtaking backdrop that mirrors the picturesque canals.

We would be thrilled to be a part of your special event, creating memories that will be treasured forever.
